PRIVACY POLICY

Last updated: August 24, 2026

This Privacy Policy for Level ("Company," "we," "us," or "our") describes how and why we might collect, store, use, and/or share ("process") your information when you use our services ("Services"), including when you download and use our mobile application, Level, or any other application of ours that links to this Privacy Policy.

Questions or concerns? Reading this Privacy Policy will help you understand your privacy rights and choices. We are responsible for making decisions about how your personal information is processed. If you do not agree with our policies and practices, please do not use our Services. If you still have any questions or concerns, please contact us at levelcalisthenicsapp@gmail.com.

1. WHAT INFORMATION DO WE COLLECT?

Personal information you disclose to us

We collect personal information that you voluntarily provide to us when you register on the Services, create an account, log a workout, or otherwise interact with the Services.

The personal information we collect depends on the context of your interactions with us and the Services, the choices you make, and the features you use. The personal information we collect may include the following:

- Account information: such as your name, email address, and password used to create and access your account;
- Biometric and profile data: such as your height, weight, age, and sex, which you provide so that the Services can calculate your Level score, rankings, and progression recommendations;
- Workout and activity data: such as exercises logged, reps, sets, skill progressions, and other training data you enter into the app.

All personal information that you provide to us must be true, complete, and accurate, and you must notify us of any changes to such personal information.

Information automatically collected

We automatically collect certain information when you visit, use, or navigate the Services. This information does not reveal your specific identity but may include device and usage information, such as your IP address, device and browser characteristics, operating system, and information about how and when you use our Services. We collect this information through our backend infrastructure provider, Supabase, as described further below.

2. HOW DO WE PROCESS YOUR INFORMATION?

We process your personal information for a variety of reasons, depending on how you interact with our Services, including to:

- facilitate account creation and authentication and otherwise manage user accounts;
- calculate your Level score, rankings, leaderboard position, and progression recommendations based on the biometric and workout data you provide;
- save or protect an individual's vital interest, such as to prevent harm;
- respond to user inquiries and offer support;
- protect our Services, including monitoring for and preventing fraud and abuse.

3. WHAT LEGAL BASES DO WE RELY ON TO PROCESS YOUR INFORMATION?

If you are located in the EU or UK, this section applies to you. Applicable laws require us to explain the valid legal bases we rely on in order to process your personal information. As such, we may rely on the following legal bases to process your personal information:

- Consent. We may process your information if you have given us permission to use your personal information for a specific purpose.
- Performance of a Contract. We may process your personal information when we believe it is necessary to fulfill our contractual obligations to you, including providing our Services or at your request prior to entering into a contract with you.
- Legitimate Interests. We may process your information when we believe it is reasonably necessary to achieve our legitimate business interests, such as calculating and displaying leaderboard rankings, maintaining the security of our Services, and improving the Level scoring system.

If you are located in Canada, this section applies to you. We may process your information if you have given us specific permission to use your personal information for a specific purpose, or in situations where your permission can be inferred.

4. WHEN AND WITH WHOM DO WE SHARE YOUR PERSONAL INFORMATION?

We use Supabase to host our database and provide backend infrastructure for the Services, including user authentication and storage of your account, biometric, and workout data. Supabase processes this information on our behalf and only in accordance with our instructions.

We may also share your information in the following situations:

- Business Transfers. We may share or transfer your information in connection with, or during negotiations of, any merger, sale of company assets, financing, or acquisition of all or a portion of our business to another company.
- Legal Obligations. We may disclose your information where we are legally required to do so in order to comply with applicable law, governmental requests, a judicial proceeding, court order, or legal process.

We do not sell your personal information to third parties, and we do not share your biometric or workout data with other users beyond what you choose to display, such as a username and Level score on a leaderboard.

5. HOW LONG DO WE KEEP YOUR INFORMATION?

We will only keep your personal information for as long as it is necessary for the purposes set out in this Privacy Policy, unless a longer retention period is required or permitted by law. When you delete your account, we will delete or anonymize your personal information, or, if this is not possible, we will securely store your personal information and isolate it from any further processing until deletion is possible.

6. HOW DO WE KEEP YOUR INFORMATION SAFE?

We have implemented appropriate and reasonable technical and organizational security measures designed to protect the security of any personal information we process. However, despite our safeguards and efforts to secure your information, no electronic transmission over the Internet or information storage technology can be guaranteed to be 100% secure, so we cannot promise or guarantee that hackers, cybercriminals, or other unauthorized third parties will not be able to defeat our security and improperly collect, access, steal, or modify your information.

7. DO WE COLLECT INFORMATION FROM MINORS?

We do not knowingly solicit data from or market to children under 13 years of age. By using the Services, you represent that you are at least 13. If we learn that personal information from users less than 13 years of age has been collected, we will deactivate the account and take reasonable measures to promptly delete such data from our records. If you become aware of any data we may have collected from children under age 13, please contact us at levelcalisthenicsapp@gmail.com.

8. WHAT ARE YOUR PRIVACY RIGHTS?

In some regions, you have certain rights under applicable data protection laws. These may include the right (i) to request access and obtain a copy of your personal information, (ii) to request rectification or erasure; (iii) to restrict the processing of your personal information; and (iv) if applicable, to data portability. You can make such a request by contacting us using the details provided in the "How Can You Contact Us About This Notice?" section below.

Account Information

If you would at any time like to review or change the information in your account or terminate your account, you can log in to your account settings and update your user account, or contact us using the contact

information provided. Upon your request to terminate your account, we will deactivate or delete your account and information from our active databases, though some information may be retained to prevent fraud, troubleshoot problems, assist with investigations, or comply with legal requirements.

9. CONTROLS FOR DO-NOT-TRACK FEATURES

Most web browsers and some mobile operating systems include a Do-Not-Track ("DNT") feature or setting you can activate to signal your privacy preference not to have data about your online browsing activities monitored and collected. At this stage, no uniform technology standard for recognizing and implementing DNT signals has been finalized. As such, we do not currently respond to DNT browser signals or any other mechanism that automatically communicates your choice not to be tracked online.

10. DO WE MAKE UPDATES TO THIS NOTICE?

We may update this Privacy Policy from time to time. The updated version will be indicated by an updated "Last updated" date at the top of this Privacy Policy. We encourage you to review this Privacy Policy frequently to be informed of how we are protecting your information.
